Ideation Phase

Problem Statement

Date	22 October 2022
Team ID	PNT2022TMID15260
Project Name	News Tracker Application
Maximum Marks	2 marks

Problem Statement:

Since carrying a real newspaper around bothers him and those around him, Sanjay is a busy businessman who needs to read the news while travelling without any issues. He needs to read the news in a way that eliminates the need for him to ever purchase or carry around physical newspapers. Anything digital, such as an online programme that might be viewed from any device that is linked to the internet, should be small enough to fit in the palm of his hands and accessible from anywhere. such as PCs and smartphones.

trying to	But	Because	Which makes me feel
Stay updated on news	I couldn't find it on regular feed of news and mostly they are irrelevant	If I gain more information in my field , it will be really usefull	not being updated on the field I am good

miro
